Food Supplements

MADE IN ITALY

DESCRIPTION

IROC is a food supplement based on iron, folic acid and vitamin C. It is indicated in treatment of anemic states or in all cases of iron deficiency due to a low iron intake (vegan diet, infants, alcoholics ,etc), a low iron absorption (Chronic diarrhea, gastrectomy, steatorrhea, etc), an increased needs of iron (infants, menstrual cycle and pregnancy, etc), protracted loss of iron (Gastric ulcers and bleedings, etc).

Possible targets:

- Anemic
- Pregnant women
- Celiac
- Patients with kidney failure

Dosage:

- 1 Drop of Iroc contains 1 mg of Iron, 13.3 mcg of Folic Acid and 4 mg of Vitamin C.

It's recommended to take 1 drop/kg a day for a maximum of 30 drops.

In pregnancy: it's recommended to take 30 drops per day.
